

TRANSEER

Transer

SPECIFICATION

TECHNICAL DATA

Color	Green / Silver / White
Frame	6061 Aluminium alloy
Battery	48V 13Ah two batteries(1248Wh)
Motor	Powerful 48V250W(N.m 65)
Display	High-contrast LCD(IPX6)
Brakes system	GEMMA hydraulic disc brake
Power assist	Intelligent 5 levels pedal assist
Front light	Bright LED light with waterproof cable
Rear light	Brake light with turn signal flashers
Derailleur	Shimano 7-speed
Front fork	Suspension with lock-out function
Saddle	Leather comfort saddle
Pedals	With reflect strip
Tires	CST 20"*3.0"
Chain	KMC

CHARACTERISTICS

- Internal steering limit headset ensures stable and controlled riding.
- Suspension of the front fork and seat post offers a smoother, more comfortable ride.
- Torque sensor delivers precise and efficient power assistance.
- Chain guide pulley ensures smooth and reliable chain operation.

DIMENSIONS

Handlebar Height: 1150 mm

Total Length: 1990 mm

Wheelbase: 1300 mm

Wheel Size: 20" x 3.0"

Seat Height: 760-960 mm

Chain Stay: 670 mm

Top Tube Length: 520 mm

Seat Tube Length: 350 mm

Recommended Rider Height: ≥ 160 cm

Range: ≥ 120 km

Battery Weight: 3.75 kg*2

Net Weight (With Battery): 33 kg

Gross Weight: 43 kg

Carton Size: 1680mm*330mm*850mm

Load capacity: 200 kg
