| Color:        | Grey/Mint Cream                        |
| Battery:      | 48V15AH(720Wh) LG                      |
| Motor:        | Bafang 48V250W (N.m 80)                |
| Display:      | LCD with USB                           |
| Front Light   | Bright LED, Lux 40, K-mark certified   |
| Rear Light    | With brake light                       |
| Pedal Assist: | Intelligent 5 level pedal assist       |
| Derailleur    | Shimano 7-speed                        |
| Controller    | 48V250W                                |
| Frame:        | 6061 aluminum alloy                    |
| Saddle:       | Leather comfort saddle                 |
| Pedals:       | Folding type                           |
| Tires:        | 20*3.0 with reflect strip              |
| Front Fork:   | Suspension fork with lock-out function |
| Chain:        | KMC                                    |
| Brake:        | Tektro mechanical disc brake           |
| Sensor:       | Speed sensor                           |

#### CHARACTERISTICS

- Ergonomic Step-through Frame, accommodating riders of various statures.
- Double-layer downtube frame construction offers enhanced protection for the battery.
- Powerful motor system making your rides more effortless and efficient.
- Practical accessory configuration, adding to the practicality and meeting diverse riding needs.
- Convenient folding mechanism, facilitating easy folding for storage or transportation.

#### DIMENSIONS

Handlebar height: 1300mm

Total length: 1752mm

Wheelbase: 1172mm

Wheel size: 20"\*3.0"

Seat height: 800mm-1000mm

Chain stay: 450mm

Seat tube length: 350mm

Recommended rider height: Above 160cm

Range: > 65km

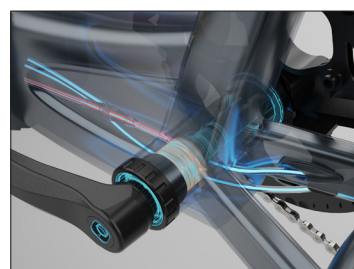

Gross weight: 33.5kg

Bike weight (with battery): 32kg

Battery weight: 3.8kg

Carton size: 155cm\*32cm\*85cm

Load Capacity: 120kg
